

## KODIAK AREA

# KODIAK AREA

*The Kodiak Area includes all waters of Alaska south of a line extending east from Cape Douglas (58° 51.10' N. Latitude), west of 150° W. Longitude, north of 55° 30.00' N. Latitude; and east of the longitude of the southern entrance of Imuya Bay near Kilokak Rocks (156° 20.22' W. Longitude).*

## Customary and Traditional Use Determinations:

Kodiak Area. Residents of the Kodiak Area may take **fish** other than salmon, steelhead trout, and rainbow trout for customary and traditional uses.

Kodiak Island Borough, including all waters along the south side of the Alaska Peninsula bounded by the latitude of Cape Douglas (58°52' N. Latitude) mid-stream Shelikof Strait, and east of the longitude of the southern entrance of Imuya Bay near Kilokak Rocks (57°11'22" N. Latitude, 156°20'30" W. Longitude), except the Kodiak Mainland District. Residents of the Kodiak Island Borough, except those residing on the Kodiak Coast Guard Base, may take **salmon** for customary and traditional uses.

## General Provisions:

NO SUBSISTENCE FISHING PERMIT REQUIRED. You can take **fish** at any time without a subsistence fishing permit, except salmon, rainbow trout, and steelhead trout, unless restricted in the following regulations.

You must have a subsistence fishing permit to take the following for subsistence uses:

- Salmon (24 hours a day from January 1 through December 31, except as noted below)
- Trout and char
- Herring and bottomfish (during the commercial herring sac roe season from April 15 through June 30)

You may take **halibut** only by a single hand-held line with not more than two hooks attached to it. The daily harvest limit for halibut is two fish and the possession limit is two daily harvest limits. You may not possess sport-taken and subsistence-taken halibut on the same day.

**Recordkeeping/Permit.** You must keep a record on the reverse side of the permit of subsistence-caught fish, and complete the record immediately upon taking the fish. This permit record must be returned no later than February 1 of the year following the year the permit was issued.

## Regulations:

With a subsistence **salmon** fishing permit you may take 25 salmon, plus an additional 25 salmon for each member of your household whose names are listed on the permit. You may obtain an additional permit if you can show that more fish are needed.

You may take **salmon** only by gillnet, rod and reel, or seine.

You may take **fish**, other than salmon and halibut, by gear listed in this part unless restricted under the terms of a subsistence fishing permit.

You must be physically present at the net when the net is being fished.

## Fishing Periods

From June 1 through September 15, you may not use salmon seine vessels to take subsistence salmon for 24 hours before, during, and for 24 hours after any open commercial salmon fishing period. You may use purse seine vessels to take salmon only with gillnets and you may have no other type of salmon gear on board the vessel.

You may not take **salmon** for subsistence uses in the following locations:

- Chiniak Bay. All waters closed to commercial salmon fishing in Chiniak Bay.
- Selief Bay Creek. All waters closed to commercial salmon fishing within 100 yards of the terminus of Selief Bay Creek and north and west of a line from the tip of Last Point to the tip of River Mouth Point in Afognak Bay.
- Little Kitoi Creek (seaward). From August 15 through September 30, all waters 500 yards seaward of the terminus of Little Kitoi Creek.
- Afognak Island. All freshwater systems of Afognak Island.
